

The young generation of India is, perhaps, more motivated and driven, than their older counterparts. All thanks to the presence of social media, which provides them regular inspiration to be up and running in all spheres of life. **Shammy Tiwari**, a young guy belonging to the Bihar is one such example of his generation, especially *because of his amazing sense for Acting. No wonder he is* *ng the most inf* *luentia* fashion modell and Instagrammers of his time.

As an independent actor, **Shammy** has worked with eminent brands in different capacities. Besides, with his regular blogging and putting up amazing Insta posts, he has developed a steady fan following online. In fact, his acting is also
